

Important Course Planning Tips

Course plans and unit offerings may change over the course of your degree. Please ensure you check the [online handbook](#) at the beginning of each semester for the most up-to-date course requirements.

On page 4 of this booklet, you can map out a study plan.

When planning which units to study across semesters, make sure you:

- ✓ Put a tick against units you have been awarded from Advanced Standing (if you have been awarded recognition of prior learning)

There are many types of units to map out.

- ✓ **Major Core** units (and **Major Core** units from another major if you are studying an additional major)
- ✓ **Specified Elective** units (the list of specified electives that are offered in a Major may change each year, please check the handbook at the start of each semester)
- ✓ **Option** units (these can be replaced by **Major Core** units from another major)
- ✓ **Murdoch Spine** units
- ✓ **Course Core** units
