The Diploma of Psychological Studies is designed to provide students with a broad introduction to the field of psychology in a supportive, student-centred learning environment. It will prepare students for further study or for an entry level professional career. Students will explore a broad range of subject areas relating to psychology as practice, study and science. They will have a better understanding of career planning and management, as well as develop literacy skills that will enhance their academic and professional communication and language capabilities. The knowledge and skills gained through completing the Diploma will be directly transferable to either entry-level employment/work settings and/or to further learning in an academic setting.
