Graduate Certificate in Health Care Management (GradCertHCM)

Course Codes: C1156

Restriction: All graduate courses are subject to restriction.

Duration: 1 semester full-time or part-time equivalent

Availability:

- OUA (Australia) (external)

This Certificate aims to cultivate excellence in quality and safety in health professionals working in roles within acute, community, mental health, primary and aged care public and private sectors. This course will provide fundamental skills for a range of leadership and management positions within the health service industry.

Employment Prospects:

Enhanced quality and safety and skills acquired will position students to meet consumer expectations of the healthcare system and to fulfil industry demand for increased middle management skills in order to enhance the quality of services.

Positions such as Accreditation Coordinator, Quality Manager, Quality and Risk Manager are essential within health services, particularly the private and aged care sectors, for their accreditation. Successful completion of this course will put graduates in a favourable position to fill such roles.

Admission Requirements (Onshore):

Completion of a Bachelor degree (AQF Level 7) or equivalent in a health related discipline. Preparation for the course through previous study or professional experiences will be considered on a case-by-case basis.

Special Requirements:

Access to adequate library resources and to the Internet is essential

Main Research Areas:

Health, safety and quality

Course Structure - 12 credit points

Core Units

SHP501 Safety and Quality in Health Care - 3 points
