THEOLOGY

GRADUATE DIPLOMA IN THEOLOGY (GRADDIPTHEOL)

Course Codes: G1050

Humanities

Restriction: All graduate courses are subject to restriction.

Graduate Diploma in Theology (GradDipTheol)

Admission Requirements (Onshore):

A recognised Bachelors degree (AQF level 7) or higher. An alternative pathway through completion of the Wollaston certificate (offered by Wollaston College) to a recognised standard is available.

The Graduate Diploma in Theology provides substantial theological grounding for teachers in religious schools and staff in church agencies. It is also an excellent way for those with a general interest in Theology to obtain a significant foundation in the key areas of theological inquiry. The course introduces students to biblical studies, methods of theological construction, and the history of Christianity. Students are then able to develop their knowledge further in these areas through the selection of appropriate electives.
